

Wednesday 3rd December

The e-Go roadshow and presentation will be visiting Wellesbourne Mountford on Wednesday December 3rd, at 7.30pm, **Take Flight** will be hosting the event on one of their "First Wednesday" events at The Charlecote Pheasant, Charlecote Wellesbourne.

The e-Go is a remarkably light single seat aircraft. At the cutting edge of design and material innovation, it defines a new category of leisure aviation. We call it the fun flying machine.

Hear all about this fascinating aeroplane. "Single seat but handles like a fighter and will cost only £15 per hour to fly."

The event is FREE and open to all.

Why not come along and network with friends and like minded colleagues, whilst

discussing this innovative design over a beer and "nibbles"

Feel free to forward this email to members of other local clubs who may be interested in coming along.

To reserve your place please call us on 01789 470 424 or click on the link below and book the number of tickets required, as this will give us an idea of numbers attending, but remember entrance is FREE!
